Humble & Kind

Synopsis

What if practical inspiration could be as simple as an eye-opening, heartfelt song? From Grammy-winning star performer, husband, and father, Tim McGraw, comes a beautiful keepsake book, inspired by his uplifting hit, "Humble and Kind." **HUMBLE AND KIND** is the keepsake hardcover volume that combines the emotional power of Tim McGraw's uplifting #1 single and video "Humble and Kind" to elegant line illustrations in a gift book for all seasons. Inspired by McGraw's own life experience as his eldest child embarked on her college career, every parent and graduate can relate to **HUMBLE AND KIND**; with tender clarity, the words reinforce lessons for mindful, compassionate living. The song's pure poetry not only propelled the single up the charts, but its accompanying video—gorgeously produced with images courtesy of Oprah Winfrey's documentary "Belief"—has been viewed by tens of millions since its release, and inspired a community movement at stayhumbleandkind.com. Featuring an introduction from McGraw and an epilogue by the songwriter Lori McKenna, **HUMBLE AND KIND** is a deeply affecting call to action, and the perfect memento for millions of graduates, parents, and children across the continent.

Shack.

Simply written but powerfully felt. I bought this for myself but after getting it and reading decided to purchase it for my grandchildren as gifts that I hope will inspire them with everlasting kindness and love.

Tim McGraw is one of my most favorite people. He has said, done and sang some amazing things over the course of his career. He has kept his family close to his heart and #1 in his life. Even supporting and loving his own father when most would have said "to heck with you too!" I got this book for my niece for her graduation and hoped that his message of love, tolerance and kindness might resonate in her life into the woman she will become. We could all learn, grow and love others from his message in this song and written in this book.

As soon as I heard that Tim's song was being adapted to a book, I knew I had to have it for my son. I am so pleased with the book. It is exactly what I expected and will serve as a staple in our story time.

Thought it was actually a book, not just the lyrics to the song.

My sister loves it! So surprised that her favorite song was in this book form.. Perfect!

i was a little upset that i was 10 bucks and really all it was, was the lyrics to the song. I already knew them. Thought i was more than that.

Great graduation gift!

I do not love the illustrations as much as I had heard others did.
