Very pleased with book and seller. Thank you

While considering a NH wedding, my fiancÃ© and I found this book incredibly useful. Thoughtful, detailed, often humorous...this is travel writing at its best.

Moon Handbooks are the best, and this one is no different. I ordered this book to research an upcoming vacation. From lodging facilities, to sightseeing destinations, to good local restaurants, these books provide the best, most comprehensive travel info about any state. I will be packing this one in my suitcase.

A good guide book. of course out of date, but I knew that when I bought it.

Good info!

This book is great for the traveler who wants to find the cool places to visit around New Hampshire. I

am a walker/hiker who was looking for new places to discover and it didn't quite fit that need.
