# Rabbi Isaac Luria: The Lion Of The Kabbalah: Jewish Mystics, Book 1

## Synopsis

When one thinks of the Kabbalah, they often think of the 10 emanations of the tree of life. It is by far the most popular of the Kabbalistic symbols and rightfully so. It is also the one most, how shall I say, comprehensible of the Kabbalistic principles. Of course, it contains deep mysteries but if one were to attempt to describe its function, it can be done so with ease. This is the aspect of Kabbalah most people are exposed to. There is another deeper side of Kabbalah most people do not know of and that is the Kabbalistic system created by Rabbi Isaac Luria, the Ari as he is known most commonly. Despite this, his work has influenced modern Kabbalistic scholarship to such an extent that the average person would have no idea that these ideas were from this great Rabbi. In this book, I will discuss this great Rabbi and his work and how important he was to Jewish mysticism. In fact, without him, we wouldn't have most of the Kabbalistic understand we do now. Every single work on Kabbalah released to this day is influenced by his work. In this book, we will cover: My experience with Luria's work and my visit to his tomb The Kabbalah in brief Luria in his early years and his holy energy The atmosphere that cultivated his Kabbalistic powers His wide-ranging impact on Kabbalah and the occult A synopsis of many of his known works And finally, Lurianic Kabbalistic meditations you can do on your own With that said, let us proceed!

## Customer Reviews

good reading

A wonderfully written treatise on the depth of Kabbalistic definition and meditative workings. Openly written for understanding of history of Rabbi Issac Luria. Additionally Baal Kadmon brings forth meditative techniques in a clear manner that anyone interested can understand AND utilize. A wonderful work. I am positive there is more to come from an advanced perspective. Baal Kadmon with bring it forth in this same thorough and clear manner. Kudos!!

One of the best books on a great personality of the Jew Kabbalah, a must-have book for all students of Kabbalistic and Jewish mysticism. Besides being a very good reading! Loving moments along this amazing book, one I advise to all book lovers to read!
