The Beauty Of This Street Love 3: A Texas Tale

Synopsis

The disappearance of two of the women closest to the Kinseys leads to all-out war with the Prince family. As if that turmoil isn't enough, the personal relationships of the Kinsey siblings are uncertain. Briar Rose is reluctant to pursue a relationship with the cocky young ladies' man, Tyrese Kinsey. Ty is determined to have the beautiful doctor and he's used to getting what he wants. But just as Briar is about to give in to her desire, a young woman named Storm, who idolizes Ty, appears. She's determined to make her hero her man, at any cost. Tamir Kinsey is ready to settle down with Chantal Dubois and make a family with their baby. Chantal is leery, however, fearing that Tamir's past infidelity may have resulted in a child. Dealing with Tamir's former "side chick," his increasingly intense reactions to being shot, and Chantal's meddling family threaten to destroy the young couple's future. Tripp Kinsey is ready to officially make Cyn Murray and her daughter, Cynaa, his own. While they look with excitement toward their future, a problem from the past plots to end their dreams. Tremell Kinsey is desperate to get his family back. Losing his pregnant girlfriend drives him to the brink of insanity. Will Shamar Parker return to the safety of his arms or will the Princes push him into the darkness that always haunts him?

Elle Kayson superb job on this series,I loved the Kinsey clan .I can't wait to read about Tamar and Angel I applaud you on this series

I will definitely miss the Kinsey's!!! I look forward to seeing more of Elle Kayson's writing. If looking for a three part series with as much action as love, then look no further.

My fave couple was Ty and Briar so I'm very anxious to see what happens next. I'm hoping storm goes away with her dad.

I love it thugs has feelings too they grew up so much in this I'm so happy for Tre and Tripp

The story was really good. I did enjoy the Kinsley brother from book 1. They are crazy in there own way but loved hard. I can't wait to read about Angel and Tamar. I was happy to see everyone gotten an happy ending.

Absolutely love Elle. She did this yet again!! Hope I can get another book with the same characters, maybe as there kids get a little bigger maybe..

It felt a little rushed but overall great series!!but i loved the brothers they matured somewhat in book 3 hate to see them go.

The way this book brings the first two together....amazing!!! Loved this book!!! Hate that it ended, but definitely ready for the next book!!! Elle is an amazing writer with a very creative and vivid mind! Wouldn't want it any other way!!
