Customer Reviews

I enjoy reading about about Buddhism. This is so-so compared to other books I have read.....

BUDDHISM and BUDDHIST TEACHINGS: Ultimate Collection of Texts For Beginners I am new to Buddhism. I have really enjoyed this collection. It has helped me to understand Buddhish. I would highly recomend this book to any one who is interested in a more sound spiritual journey. - Richard Glenn

THIS IS A MUST READ FOR ALL WHO WISH TO BE EXPOSED TO THINKING OF UNIVERSAL VALUE. WHITH IN THIS BOOK IS THE IDEA THAT ONE MUST START WITH ONESELF. IF ONE DOES NOT HAVE LOVE WITHIN HOW CAN ONE SEE IT IN OTHERS? PERHAPS IN THE WESTERN WORLD TO MUCH EMPHASIS IS PLACED ON THE "I". NOT ENOUGH ON "US".

I learned much from this book. I have always been interested in different beliefs and this was very helpful. I liked that it was a collection of works in one book. It took me a while to go through it but it was well worth it.

Although it can be put together better, I feel for a new admirer of bhudist teachings this text supplies a great amount of summarized chapters. Alot of the writings come from many ancient text's and are well laid out and easy to understand.

nice set of books

Very "user-friendly"!

Great collection of all materials from historical to current, Like it alot and will likley reference it as decades continue! That is if my Kindle is still accessible...Check it out! good review for new Buddhist peoples or others interested in Budd-ism
