# Paul And His Letters

## Synopsis

Except for Christ himself, no figure has been more influential in the history of Christianity than the apostle Paul. And yet his remarkable life remains shrouded in mystery. In this probing new book, John B. Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought. Using Acts, the Pauline epistles, and reliable traditions from non-canonical sources, Polhill weaves together the remarkable story of Paul's transformation from persecutor to persecuted, producing a dynamic account of his entire ministry. By placing each of Paul's letters in its proper historical context, Polhill brings new light to these foundation stones of the Christian faith. He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom, painting a detailed, comprehensive portrait of Paul that will serve as an indispensable resource for students, teachers, and pastors alike.

## Customer Reviews

John B. Polhill is the professor of New Testament at Southern Baptist Theological Seminary, Louisville, Kentucky. He is the author of the Acts volume in the New American Commentary, along with numerous articles, reference works, and symposia.

Good product and fast shipping, I'm really enjoying this.

My husband loves it.Thank you.

Very informative book. You have to keep an open mind, because Polhill does not always take the direct approach to certain theological topics. But he definitely doesn't miss a beat. I had to use this book for my College studies, and now its a part of my library.

a bit heavy, some good material but be ready and have a good understanding relationship with God to guide you.

This Book, though used, was exceptionally clean and ready to use; no marks or folded pages and it arrived in a timely matter. I'm very pleased with my purchase.

Great historical book.

Very interesting. Using for Bible College and learning a lot of things I never knew.

Excellent book for the class I am currently taking online.
