Amish Christmas Baby: Mourning Lullaby (Amish Christmas Romance Book 3)

Synopsis

****When single-dad, Mason, hires an Amish nanny to care for his son, his overbearing assistant, Ashley, doesn't like it, and sets out to sabotage her. When she discovers a secret from Melinda's past, she uses it against her, but just how far will Ashley's jealousy go before someone gets hurt?**

Customer Reviews

Family is the center of a complete life. Without family life isn't complete. God didn't make us to be alone in life.

Excellent book, a good read for everyone.

Great book by Samantha Bayarr. Very sweet and loving When selfishness and greed get in the way of love it is only room for disaster. Great book

Good reading. A different story line. Once again Samantha has written a good story. I wish her

books were longer, but I still love them.

Unbelievable that even in a book of fiction that someone would think they could just give you a baby.

I normally do not write negative book reviews, but this book was low on plot with little to no character definition. Frankly the character of Ashley would never have been able to get away with her antics in the real world. I found her behavior unbelievable and that of an adolescent girl, not a working woman. Her character is a major reason for my rating. The Nanny's character was somewhat realistic, but the relationship between her and her employer was implausible, and the entire scene at the end of the book with the ex wife was not highly believable. This is not a book I would recommend to any of my friends.

It would have been so much better if it was a full length book. As it was it was Amish girl meets handsome man & loves his baby. Redicilous secretary runs off all potential Nanny's, then tries to sabotage the Amish girl as the nanny. The Amish girl falls in love & they marry !

She went to apply for the nanny job. He's a rude, judgmental man, but the baby was crying. She was only there for Max. Then, like a whirlwind, in bursts the toe tappin', foot stompin', wretched Ashley, with an attitude to match. One wanted his money, the other wanted to love a deprived little boy, but there's a hiccup in the works. A short read about love and a little heartache, in the midst of intrigue and deception but most of all forgiveness. I always enjoy Bayarr's stories, and to be honest, I think this one is my favorite so far! A great, clean, read for any age.
