"Ah," Zen Pig said,A small smile on his face."The tree is just the beginning,There's much more to embrace."Ã

I enjoyed issue one and am equally pleased with issue 2. The simple beauty of the message is lovingly illustrated through words and pictures. I am happy and thankful for Zen Pig's message and that each copy sold means clean water for a year for 10 people.

I love the ZenPig books. The way they read is beautiful and thought provoking. I also love the message they give you to walk away with. So incredible. And the artwork! Holy Cow! I can't wait to see what's next for ZenPig!

Love the zen pig books!!

Such a sweet story. My three year old loves both Zen Pig books she has. And such beautiful illustrations that match the vibe of the book.

A wonderful followup to the original; excited for the third to come out later this year!

This book embraces how we are all connected and encourages everyone to stop and take a closer look at the world around us.

Love this sweet book! A friend sent it to me after my son was born and I can't wait to share it with him.
