Country Roads Of Kentucky

Synopsis

Ramble through America's rural heartland on winding back roads leading to an endless variety of out-in-the-country attractions. Each title explores 10 or more meandering weekend tours as authors share their intimate knowledge of people, places, and country life.

Customer Reviews

Although this is travel guide book, I read it all at once. It is not just about geography and sight seeing. It includes sociological and economic history of Kentucky and really helped me to understand my new "country roads". Now I look forward to using the guide to see all of Kentucky.
