If you have ever looked at my history or my book shelf you will know that DK is my favorite publishers. It doesn't matter if it's travel or informational books. They are always full of pictures and color as well as easy to understand information. Im taking a trip soon to Vegas, which i have been several times. This time it's with a boyfriend, kids, and a rental car. This book tells you everything you couldn't think of or know there is to see in or around Las Vegas. As always great pictures, makes you feel like you can find anything its explaining. I will carry this book with me on the trip as well incase we think of something we may want to do I didnt think about. Happy travels.. This book measures 9 inches by 5 inches so it is easy to carry with you.

Excellent travel guide for someone new to the city and wanting to learn as much as possible without being overwhelmed. And as a bonus it had a laminated pocket map which I was going to order, but now I don't have to!

Eyewitness Travel Guides are the best, and the Las Vegas guide does not disappoint. Loads of information, made very interesting by colorful glossy pictures.

Simple, yet complete, with great pictures and an excellent street map.

great
