Good tests and helpful

The goods came quickly. I am happy with the book

Arrive on time and good quality.

But I was a bit frustrated because I have the 3rd edition of this book. When I tried to preview it using 's "look inside", it appeared that Kaplan had written all new practice tests. However, when the book arrived, the English and Reading tests were identical to the 3rd Edition. It appears they simply expanded the Writing prep section of the book. Grrr! If a company is going to put out a new edition, then need to change the practice tests as well. Otherwise, what's the point of a new edition?
