Living In Bible Times (Candle Discovery Series)

Synopsis

The Candle Discovery Series is a new set of interactive, educational books for younger learners. Moses built a great tent in which to meet God. How was it constructed? These interactive, graphic guides with tabs to pull out that display a second acetate picture with more detail, answer these questions and more. Living in Bible Times is a fascinating guide to important buildings and structures in the Bible.

Customer Reviews

Tim Dowley (Ph.D. in church history, University of Manchester) has been at the forefront of writing and editing for a new generation of resources on biblical studies and church history.

My husband and I still haven't figured out how to use it without tearing it! The pictures look really good, but it's not user friendly.

Bought this for use with Veritas Press curriculum, and wasn't disappointed. While the text is a little young, the images are great and bring Bible times to life.
