Sociology: The Essentials, 8th Edition

Synopsis

SOCIOLOGY: THE ESSENTIALS, Eighth Edition, uses the theme of debunking myths to look behind the facades of everyday life, encourage you to question common assumptions, and help you better understand how society is constructed and sustained. This thorough yet streamlined text provides exceptional coverage of diversity, including social factors such as age, religion, sexual orientation, and region of residence, in addition to race, ethnicity, class, and gender. Updated with coverage of the latest findings, trends, and themes, this new edition's reader-friendly presentation teaches you the concepts, methods, and research that will sharpen your "sociological imagination" and help you view the world from a different perspective.

Margaret L. Andersen (B.A., Georgia State University; M.A., Ph.D. University of Massachusetts, Amherst) is the Edward F. and Elizabeth Goodman Rosenberg Professor of Sociology at the University of Delaware, where she has also served in several senior administrative positions,

including most recently as Vice Provost for Faculty Affairs and Diversity. She holds secondary appointments in Black American Studies and Women and Gender Studies. She is the author of several books, including (among others) THINKING ABOUT WOMEN, recently published in its tenth edition; the best-selling anthology, RACE, CLASS, AND GENDER (co-edited with Patricia Hill Collins, now in its ninth edition); LIVING ART: THE LIFE OF PAUL R. JONES, AFRICAN AMERICAN ART COLLECTOR; and ON LAND AND ON SEA: A CENTURY OF WOMEN IN THE ROSENFELD COLLECTION. She is a member of the National Advisory Board for Stanford University's Center for Comparative Studies in Race and Ethnicity, the Past Vice President of the American Sociological Association, and Past President of the Eastern Sociological Society, from which she received the ESS Merit Award. She has also received two teaching awards from the University of Delaware and the American Sociological Association's Jessie Bernard Award.

Howard F. Taylor has taught at the Illinois Institute of Technology, Syracuse University, and Princeton University, where he is presently Professor of Sociology and former director of the African American Studies Center. He has published over fifty articles in sociology, education, social psychology, and race relations. His books include THE IQ GAME (Rutgers University Press), a critique of hereditarian accounts of intelligence; BALANCE IN SMALL GROUPS (Van Nostrand Reinhold), translated into Japanese; and the forthcoming RACE AND CLASS AND THE BELL CURVE IN AMERICA. He has appeared widely before college, radio, and TV audiences, including ABC's Nightline. Past president of the Eastern Sociological Society, Dr. Taylor is a member of the American Sociological Association and the Sociological Research Association, an honorary society for distinguished research. He is a winner of the DuBois-Johnson-Frazier Award, given by the American Sociological Association for distinguished research in race and ethnic relations, and the President's Award for Distinguished Teaching at Princeton University. Raised in Cleveland, Ohio, he graduated Phi Beta Kappa from Hiram College and has a Ph.D. in sociology from Yale University.

Kim A. Logio is Associate Professor and Chair of Sociology at Saint Joseph's University, where she recently received a teaching award. She often teaches research methods and guides students through the completion of their undergraduate thesis projects. A member of the American Sociological Association and the Eastern Sociological Society, Dr. Logio has been interviewed for local television and National Public Radio for her work on body image and race, class, and gender differences in nutrition and weight control behavior. She received her Ph.D. in Sociology from the University of Delaware and lives in Delaware County, Pa., with her husband and three children.

Love the kindle version of this book. Easily find items you need for flashcards or excerpts to go

over/ask questions about in class. The highlight and note functionality is amazing, versatile, and easy to use. I loved that the notes and other customizations I made to the book to help me study transferred perfectly from my Android tablet, to my iPhone, and to my Windows 8.1 PC. It made studying and keeping up with my work super easy no matter where I was.

Not bad!

I needed the book for my Sociology 200 class. The book arrived within two days and is in great condition. My only complaint is with the book itself. The chapters are overly long and at times it seems repetitive. I dislike that the textbook has sources cited throughout. I don't understand why this was needed as it is used as a teaching tool.

Exactly as described.

Will help you pass the CLEP Sociology Exam but I'd use REA guides or something else. I didn't score as well as I could have. Has way to much filler content that gets in the way of actual learning

The condition of the book was okay. There was some highlighting done inside the book and I believe there's a page of two that's missing. I was still able to use the book throughout the semester for my class so it's all good! Thank you!

It was a bit banged up and had an Rental sticker on it, but other than that, it wasn't missing any pages and was a great price!

Excellent!!
