Customer Reviews

"Truth, clarity and simplicity are the great virtues of this God-exalting catechism for children. It was a great pleasure to watch our daughter learn these answers. As usual teaching a child great truths enriched our thinking and our own worship." (John Piper ~ Founder of Desiring God Ministries, Chancellor of Bethlehem College & Seminary, Minneapolis, Minnesota)"This could make a great difference in the lives of those who learn it." (Douglas F. Kelly ~ Richard Jordan Professor of Theology, Reformed Theological Seminary, Charlotte, North Carolina)

A fantastic first book of questions and answers. After ordering one for myself, I then ordered a stack of them for our church small group to use for their children as well. It's a perfect little book to get kids started on the big questions of Christianity.

It's great!! Love these solid biblical question and answers. My three and two year old can answer and remember!

This is a great resource for memory work. It's easy to work on separate chapters and the questions are so simple, my kindergartener just loves it.

Short, simple, to the point. I liked it. Book was smaller than I expected. Don't know if that should be held against it though.

I love this little book. I am using it to teach some of the basics of Christianity to my 3 year old. The phrases are easy to memorize, and they will remain with her forever. The verses are a bit quirky, but I am solid in what I believe to begin with, so it is manageable (the verses would have to be looked up as they are not printed). Wonderful for teaching little ones biblical truths.

This book will be great to use with my church kids, my sweet nephew, and one day, my grandkids. Great questions, and simple, but informative answers.

Helpful.

This is a great thing to go through with little children to help them learn basics of the bible. We've been using it with our 3 year old and she is able to retain a lot of the info.
