Nether Kitten: Books 4 & 5: (An Unofficial Minecraft Book)

Synopsis

Books 4 & 5 of the Nether Kitten series. Grab the first before reading this, otherwise you'll be confused. 15,500 words. 100+ images. If you enjoyed this series, check out "Diary of an 8-Bit Warrior", also by Cube Kid! Sorry for any spelling errors! I fixed a few more on a third edit. Disclaimer: This book is not official. Customer Reviews

I had already read this! Scammer! I was exited until I realized this was book 2! That made me mad!

Enjoying these tremendously. Like the wimpy villager books they're entertaining and smart and have a thread of mystery running through them that keeps you turning the page.

Please write more! My daughter is actually reading and liking it!

I don't understand Eebs suppose to be special why are Meowmeow and Tufty are marked to?And please make the book longer

My girls are obsessed with this ebook!

Best book ever

This book was great and I cannot wait for the next book to come out, it has been, like 200 years.P.S.to Cubekid, Can you please connect this book with the wimpy villager series I love both series a lot

In the sentence "but I'm just a kitten I can't read or spell Orr write" the second or has two rs in it. It's a easy mistake. And please keep writing I really appreciate your books and I think this is the most interesting series I will ever see on cats!
