Customer Reviews

"Spokane, Washington: Guide to the American City" is a quick, concise guide to the City of Spokane, Washington. It contains about 30 pages of history, geography, demography, politics, economics, and other information of general interest, all carefully footnoted. The fifteen pages of footnotes represent access to additional information, since lots of useful websites are included. The content is highly readable and tone-neutral. The guide comes packaged in a glossy cover and is just the right size for a handout as part of an information packet or convention item. Unfortunately, there are no photographs or maps in the brochure. Highly recommended to those with curiosity about the Inland Northwest City of Spokane, and who would like a quality hard copy to carry around.
