Customer Reviews

Perfect.

My son needed this for his band class at school. Cheaper here than buying from our local music store.

Just what my child needed.

Excellent. No issues

Great Item and great price, My son needed for school

Learning French horn simplified

I bought this for my horn player after he lost the first one at school. I got this book for about a third of what I paid at a local music store. Note that this is the book only. The one I bought at the store included a CD. If you don't need the CD this is a great deal.

Used these books as a kid to learn the French Horn. After 2 years of braces...I needed the book again to have the exercises to build up my omerture again. Glad they're still around!
