So pretty, and great for envelope seals

Even more beautiful than I expected. These stickers are so nice to use as seals on letters, or to simply include in a letter as a little surprise. I've got a ton of these Dover art sticker books, and this one might actually be my favorite. The colors and designs translated surprisingly well to a smaller size.

These are real nice looking & I never see stain glass like these.

This was bought as a gift. The stickers are a good selection of Tiffanys windows.

All of the stickers are great fun. I use them on the back of envelopes when I write to my children. I decorate with them.I seal gift packages with them. Use your imagination and enjoy.

These stickers are so nice and good quality; good for scrapbooking or other crafting projects like in hand-made cards. So cute!

They look great for their small size, but I haven't yet tried to stick them on anything. Still just enjoying them as little books of art.

The stickers are kind of smallish, like the size of a very large postage stamp. They would be ideal as art posters in a dollhouse attic or something. As it is I was hoping for something a bit more notecard sized.
