# 101 Kids Activities That Are The Bestest, Funnest Ever!: The Entertainment Solution For Parents, Relatives & Babysitters!

## Synopsis

Easy, Creative and Fun Things to Keep Your Children Entertained and Happy Never again will you hear the all-too-common call of, "I'm bored!" with this kid-pleaser for many ages. Whether your kid is 3, 5 or 12 years old, there are hundreds of fun, educational and engaging things to do in this book. When they ask to watch television, you'll have the perfect solution. 101 Kids Activities That Are the Bestest, Funnest Ever! has time-tested, exciting activities to keep your children laughing and learning for the whole day, every day. Holly Homer and Rachel Miller are the women behind the wildly popular site KidsActivitiesBlog.com, which gets more than 2 million hits a month and has more than 71,000 fans on Facebook and 100,000 followers on Pinterest. One-of-a-kind activities--never before seen on the blog--range from making edible play dough and homemade sidewalk chalk to playing shoebox pinball and creating a balance beam obstacle course. And with outdoor and indoor activities and tips for adjusting according to your child's age, this book will provide hours and hours of never-ending fun with your family. This parenting life raft is also the perfect way to make sure caregivers are spending quality-time with your little ones.

I follow the authors on facebook and they have awesome ideas for kids on their page so I decided to buy the book. It is a good book but I was slightly disappointed that it tailors to mostly older kids. They do always have a younger modification but overall there’s not a lot I can do with a 2 year old in it. However, its a great book with so many creative ideas. I would highly recommend it.

I used a number of ideas out of this book for our first annual Grammie and Grandy Camp for our grandchildren. Terrific activities with good ideas for adjustments according to age. Our grandkids had a ball with vinegar-and-baking-soda activities while we slid in a few acid-base concepts. The "naked egg" (shell dissolved in vinegar) was a big hit, though I added some osmotic pressure ideas that made it even more fun. Great book!

This is the book we have been waiting for. Its so full of practical, easy to do ideas. My grandchildren just love going through the book, page after page, trying to decide which one to do next. Love the pictures of the children demonstrating the activities.

I am a nanny, and I bought this book to do activities with the kids. We have enjoyed doing many of the games and activities, and are planning to do many more. It’s a great book with great ideas!

Love it. Having so much fun with kids.

This book is good. I was kind of expecting something else, but I still like it and use it with my children on rainy days or days I'm feeling like a super mom

My whole family is obsessed with this book! It's so wonderful to have easy and engaging activities at our fingertips--I love to see my kids flipping through the book and discussing which activity to try next! It's full of fun and engaging ideas that are easy to set up for kids of all ages which makes it perfect for all types of settings. We even plan to bring our with us on vacation and I've already bought copies for all my friends. No more "I'm boreds!" this summer!

Satisfied came and works as expected .
