Katie Wood fell in love with drawing when she was very small. Since graduating from Loughborough University School of Art and Design in 2004, she has been living her dream working as a freelance illustrator. From her studio in Leicester, England, she creates bright and lively illustrations for books and magazines all over the world.

We only made it half way through this book. It's mostly about divorce, not basketball. The main character is dealing with the grief of not having her dad around, and as her coach. It wasn't worth all the questions from my 6 year old, so I 'lost' the book and started another one instead. A better one in this k-3 category is Kylie Jean Hoops queen, or Million dollar Shot (boy main character).

Great book for girls who like sports

My daughter loves all of Jake Maddox book series especially this one since she plays basketball! :-)

I liked the book because its about basketball. I like the part when Allie talks to her little sister and tells her that she likes basketball and she misses there dad.
