Customer Reviews

I was born and raised in Hungary and moved to Australia 16 years ago. Fortunately Australia is a multicultural country and so I have developed friendships from various other cultures. We invite one another for lunch, dinner, morning or afternoon tea where everyone prepares dishes from his or her own home country. I fell in love with cooking and made a name in the neighbourhood with my dishes. My cooking are popular and my friends keep asking for recipes. I was pleased to write all down and give them to my friends. Last year I wanted to surprise them with a Hungarian cookbook and discovered that there is none available. This year they can replace their overly used lettuce look alike papers with this book.

This book is worth your \$\$\$ or time. The recipes give excellent insight into what Hungarian cuisine is truly like.

Rather overpriced for such a small book, it didn't even have a Goulash recipe!
