## Customer Reviews

Its a good book, some very hard ones which is great! Too hard for some younger kids but GREAT for us "Adults" :) I bought 2 of them

Like having multiple coloring books all in one!

Bought as a gift for a Harry Potter fan. She liked it so well, she doesn't want to spoil it by coloring in it.

Great images - and there are colored pictures in the back of most the colorable images so that you can refresh your memory or see how close you came to a replica. Happy with purchase

Nothing to color. Book of drawings. If a fan you will enjoy the color photos that take up a third of the book. Cost more to return it. Going in trash.

I gave this to a friend of mine for Christmas and she loved it! Very detailed and beautiful images to color in.

Got it for my sister to color on her flight to China. I'll report back if it doesn't last her the whole time or if they confiscate it or something. No news is good news here.

Wish coloring pages were one sided. Otherwise a great product
