

Search & Find With Guyana In Mind

Synopsis

This 52-page booklet provides useful information for anyone interested in learning basic facts about Guyana, the Guyanese people, and the Guyanese culture. This information is presented in a unique way, using word search puzzles positioned alongside a continuous thread selected topics such as: an interactive quiz, proverbs, poems, and other gems, all relating to Guyanese history and culture. The use of this two-prong format is based on the belief that much information and insight about Guyana can be gained from the selected topics as well as clues to the word search puzzles. Apart from its activity value, this uniquely designed and colorful booklet would make not only a valued addition to your library collection, but also a great gift for your non Guyanese friends as well as your children and grandchildren, if applicable. The cover design of this booklet features a close-up view of Guyana's world renowned Kaieteur Fall, as captured in its radiant splendor.
