Alison Behnke is an editor and writer. She has written numerous books for children. Her Visual Geography Series's® titles include Afghanistan in Pictures, China in Pictures, Italy in Pictures, Japan in Pictures, North Korea in Pictures, and South Korea in Pictures. For the Biography's® series, she wrote Jack Kerouac and Pope John Paul II. She has also written for the In America and Easy Menu series and wrote The Conquests of Alexander the Great for the Pivotal Moments in History series.

I found the description too generalized, it does not give much more than the informations available on-line, in different web pages. However. the maps are useful.
