Underflips: A Unique Skateboarding Trick Guide And Inspirational Story

Synopsis

Rodney Mullen is a legend in the skateboarding world. Many years ago he introduced the world to a set of tricks called underflips, some of the most wickedly cool tricks to watch and even more fun tricks to perform. Yet even to this day, these tricks are not yet widely performed by skateboarders. This book was written to change all of that. It takes readers of almost all ages through the visual beauty of how to perform underflips, showing exactly how to perform 18 variations of this set of tricks. In addition, this book includes a fully illustrated, inspirational story, of a young amateur skateboarder who seeks more out of life than the hopeless world he sees around him, and how God works in this skateboarder's life to bring him into the light and a life that is full of hope.
