C.S. Lewis: Master Storyteller (Christian Heroes: Then & Now)

Synopsis

From his earliest childhood, C.S. Lewis loved to hear and tell stories. Persuaded that stories could reveal the truth about the real world in a unique way, the literature professor would write more than thirty books, including science fiction, theology, literary criticism, and fantasy. (1898 -1963) In an era marked by two world wars, Lewis attacked tough questions about life and faith headfirst. Convinced that the story of Jesus Christ is the truest of all stories, and known for searching out the truth with honesty, clarity, and imagination, the former atheist would become one of the most influential Christians of the twentieth century. This best-selling, missionary biography series - Christian Heroes: Then & Now - chronicles the exciting, challenging, and deeply touching true stories of ordinary men and women whose trust in God accomplished extraordinary exploits for His kingdom and glory.

Janet and Geoff Benge are a husband-and-wife writing team with more than twenty years of writing experience. Janet is a former elementary-school teacher. Geoff holds a degree in history. Originally from New Zealand, the Benges spent ten years serving with Youth With A Mission.

I've only read some of C.S. Lewis's books and have loved each of them! It was interesting to learn more about him and his life, starting with the fact that from the age of two, he insisted on going by

the name of Jack. I was fascinated to learn that, at one point, he was an atheist and later became one of the greatest Christian authors of all time. I read The Chronicles of Narnia with my children a few years ago and we found the parts that talked about that to be especially interesting. There was also background given on some of his other books, which we enjoyed learning about as well. This is an excellent book for younger readers. I'm glad I read it with them since it sparked some interesting discussions and I learned quite a bit from it, too.

Great book

Interesting read! Incredible life story of C.S. Lewis that many people don't know of! He had an action packed life, and is defiantly a must buy!! We collect the Master Storyteller Series, and this book was awesome!! Would Highly recommend!!!

My kids 8 and 10 years old really like this non-fiction series of books. I would recommend this series to others.

This is the second book our family has read together from the Christian Heroes: Then & Now series, and it will not be the last. We have enjoyed "getting to know" C.S. Lewis as he is portrayed in this biography. Well-written and age appropriate for mid-to-upper elementary students as a read-aloud and beyond as a read alone book.

Gift for my granddaughter. She really enjoyed it.

Great!

Good read. More on a juvenile reading level, but good anyway
