Realidades level 3 student edition

Very Happy

this was bought as a second copy for my daughter to keep at home. I guess is a good teaching book - she has had this series of spanish text at 2 different schools, 2500 miles apart.

Book received in good condition as expected, thank you!

This book is used for the 3rd year Spanish class and it's nice to have one at home so less hauling of books back and forth to/from school.

Great!

Received the book today, it looks just as it was described. Excellent condition-no writing in the name section so my daughter's name will be the first. This book goes for 99.00 at the school bookstore. Very pleased!

I bought this for my son. This book says used, but it is brand new. The spine isn't even cracked. It is a great deal.
