## Warriors #2: Fire And Ice (Warriors: The Prophecies Begin)

## Synopsis

The second book in Erin Hunter's #1 nationally bestselling Warriors series. Join the legion of fans who have made Erin Hunter's Warriors series a bestselling phenomenon. More thrilling adventures, epic action, and fierce warrior cats await in Warriors #2: Fire and Ice. Deep in the heart of the forest, four Clans of warrior cats coexist in uneasy harmony—but uncertain times are upon them, and dangers threaten the precarious balance of the forest. Fireheart is a ThunderClan warrior now, but his troubles are far from over. The cats of rival RiverClan grow restless, while WindClan is weak and faces threats from all sides. Now Fireheart faces not only imminent battle, but betrayal from within his own Clan.

Grade Level: 3 - 7

## Customer Reviews

Grade 5 Up-After having left his life as a kittypet, apprentice Firepaw of the ThunderClan has been given his warrior name of Fireheart and his first mission-to find the WindClan and assist them back to their traditional hunting grounds. While he and his friend Graystripe are successful in their quest, Fireheart knows that trouble is brewing, and he isn't sure that the ThunderClan's deputy can be trusted. As events escalate, a warrior from RiverClan is accidentally killed, an apprentice is injured, and Fireheart brings into the Clan a kittypet kitten-his nephew-without thinking of the consequences. Finally, he must decide who to trust and who to fight. Readers not familiar with the first book may

find this one hard to follow. Hunter provides a directory that tells which cats are in which clans, but it is cumbersome to flip back and forth. The characterizations of the animals are somewhat flat, although it is possible to tell them apart, and the plot's twists and turns seem mapped out and predictable. Librarians with a readership for *Into the Wild* (HarperCollins, 2003) will probably want this volume; others can pass. Lisa Prolman, Greenfield Public Library, MA Copyright 2003 Reed Business Information, Inc. --This text refers to the Hardcover edition.

Gr. 6-9. Firepaw, the former kittypet who became a ThunderClan warrior in *Into the Wild* [BKL F 15 03], faces danger and treachery within and without his clan as he struggles with his identity. Because some clan members refuse to accept him, he feels like an outsider. Also, it appears that ShadowClan and RiverClan are forming an alliance to usurp land belonging to the displaced WindClan. ThunderClan's leader sends Firepaw and his friend Graystripe to lead WindClan back to its home, but intrigue among the clans and among individuals within them spells trouble for Firepaw. Characters remain true to their feline natures, adding to the plausibility of events in this tension-filled story. Readers will be happy to learn that another episode is in the works. If this wasn't a children's book, I would have a slight problem with the few times the book went into "previously on" mode but I say that I'm giving it a pass because of it being a children's book and because the books were published months apart. I tell ya, I would have appreciated the "previously on" in some books I've read. I love the new cover for this book, I love that Tigerclaw is the cat featured here and the art just captures that creepy killer vibe that I get from him while reading. I get so caught up in the story and even though I know what's going to happen, I still get anxious feelings when the tension builds. This is why I love re-reading good books, I get all these feelings back and remember why I loved them. This series may be the only children's books that I enjoy and will re-read over and over again. The pace is excellent for the plot, there's quite a bit going on in the story but the authors give equal time to all of it. They really know how to pull at your heart strings as well.

These were some of my daughter's favorite books when she was young, and she recommended them to all her friends.. She made me buy each new one in hardback the moment they came out, which wasn't cheap. She hung on to them for ages, until parting with them as a young adult. When I saw this series was on the Kindle and on sale, I had to buy them for nostalgia's sake and for her to

read again. I will reading them myself at some point.

The reason I like this book so much is because I like the detail that makes me want to read more and see what happens next same for the rest of your Warrior Cats books in this series and I want everyone to read your books and rate them as much as I do. Thank you for these amazing books and I will be looking forward to and new Warrior Cats books again thank you and since your books are so good I don't want anything different but your amazing detail and abrasion you put into your books once more, thank you for these awesome books and good day.

I absolutely loved this wonderful ,adventurous book this book was about loyal to fireheart's clan I highly recommend this book to a friend and every one

Grand daughter loved it.

Daughter loves it.

This is an amazing book with lots of action, Everyone should get this book or 1 from the series. Erin Hunter is a very experienced and good author

This book was awesome I actually hate reading on my kindle but I could not find this in paper back so I read it on here and it was great one thing I do.not recommend this to anyone who doesn't like death or violence in detail also please read book 1 firstTHIS BOOK IS GREAT
