ok

This story will stick with your child - it is a comic-book format history of the Mayflower expedition and Plymouth colony. Necessarily brief, but well done.

Interesting way to have the kids read about this.

Great!

These Capstone books are very good at teaching history to my ESOL students. They learn English and American History too. This book is a great way to help the students find out what people wore, what they had and the settings of the history. That is very helpful to my students.
