Customer Reviews

Rock Solid: The Courageous Journey of Rocky Bleier This is a wonderfully written & relatable testament to overcoming adversity in the face of overwhelming odds! The artwork is beautifully done...going to try and get it signed by Rocky Bleier and the author (Larry Klukaszewski) themselves! Buy this collectors items!

Such an earnest tribute to The Rock, as a man, athlete, and soldier. My kids love reading it and adore the pictures. The author and artist is their art teacher and boy are we lucky to have Mr. K. in

our district!

Love the illustrations. Rocky was a trooper. What a great story.

Great book written by a great teacher!

Great inspirational book to be enjoyed by any Steeler fan, young or old. Beautifully written and illustrated.

Disappointed in the book. The age level for this book is very young. I bought it for a 13-year-old and it was not for that old of a child.

Absolutely wonderful book! My children love it and as an adult it was also a joy to read.

Not only is the book Rock Solid, but so is the author. Great teacher and wonderful person. Congrats KLU!
