Oregon Benchmark Road & Recreation Atlas

Synopsis

Oregon is the home of Benchmark Maps. Our love and high-regard for this beautiful state is on proud display on every page of this very popular atlas. The new 4th edition has improvements that will insure its continued success. The field-checked Landscape Maps are now 10% larger and show ground-cover detail at a very high-resolution. Benchmark has extensively revised the Portland Metro area map and completely updated the Recreation Guide. Map Scale = 1:225,000 & 1:750,000 Sheet Size = 11" x 16"

Customer Reviews

This new atlas...is scaled better, contains more information and seems more accurate. A cursory spot check points to Benchmark's exhaustive attention to detail. --Bill Monroe, The Oregonian (Portland)

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

I bought this to fill out my set of Benchmark atlases. I like them very well. I also have DeLorme for

the same states. The atlas families complement each other. Benchmark has much more geophysical data and also shows more of areas which adjoin the title map. DeLorme shows the roads better. Sincerely, dwahl

I love this atlas! It lives in my car near the passenger seat so my friends can peruse it as we drive around. Things are clearly marked and easy to read. Marking are well done and detail is excellent. It's taken a beating and it's still holding up quite well. I debated between a couple of these and am really happy with this one. It's helped me to discover several new places. I'll definitely be getting another one when this one finally gets too beat up to be helpful. Highly recommended!

Oh yeah! These Benchmark maps rock. A tiny bit more map detail concerning roads wold be nice in future editions, but I will still be collecting all of these for the western states.

Nice maps for the back country user.

Beautiful pages and lots of good info.

It's great and feels awesome and is waterproof.

Find Forest land, dispersed camping and BLM, attractions etc. with ease.

Just what I needed.
