Frommer's Honduras (Frommer's Complete Guides)

Synopsis

Central America is one of the fastest-growing tourist destinations in the Americas, to the point where Arthur Frommer identified travel to Central America as one of the top travel trends. Frommer's Honduras gives readers an insider's perspective on the country's culture and abundant natural attractions. With detailed information on the best beaches and dive sites in the Bay Islands, the Mayan history of Copán, and the spectacular hiking and birdwatching opportunities of the country's plentiful national parks, this book includes thoroughly researched reviews of reputable accommodations, dining recommendations, and suggested itineraries. It is an essential companion for outdoor enthusiasts, cultural explorers and those looking to explore this fast-developing destination.

Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors

Writer and photographer Nicholas Gill is based in Lima, Peru, and Brooklyn, New York. His work regularly appears in publications such as the New York Times, Condé Nast Traveler, National Geographic Traveler, and Afar. He has also contributed to Frommer's Chile and South and Central American guides. Visit his personal website, www.nicholasgill.com, for more information or

his blog on Latin American food, drink, and travel, www.newworldreview.com.

The book on Honduras provided much information regarding the history and peoples of Honduras. However, Honduras is a country that is rapidly changing in many ways, and none of these changes were incorporated into the book. When traveling in Honduras, one finds the country significantly different and much more dangerous than is presented in the book. There are also many more sites to see. It is in need of updating.

The maps in the Kindle version were useless without using a microscope and they could not be enlarged. I found some of the hotel recommendations to be good, but there was very little help in the transportation area. Getting around in Honduras is mostly done on buses, but there is precious little help from this guide. So far I have been disappointed in all of the Kindle versions of travel guides. I like the Kindle, but I believe the Kindle versions are far from satisfactory.

Saw most of the country and used this book for help.

not bad but ive found other books more helpful... im looking for little less"standard" regular tourist information.. no more to say....

the guide is a bit outdated. the restaurants they recommend are ok as well as the hotels but do not rely on it for the nightlife scene.
