## Customer Reviews

Steve Waugh is an experienced author of GCSE textbooks and a Principal Examiner for Edexcel Modern World History GCSE and History IGCSE.

I selected this book to replace my school's history of civilization text. I teach at an international school in Vietnam. My students are very engaged in this text. There are many graphs, posters, and other illustrations, but they all add to the substance of the text and help convey the information. I really like this text book.
