Spain: A Traveler's Guide To The Must See Cities In Spain! (Barcelona, Madrid, Valencia, San Sebastian, Bilbao, Santiago De Compostela, Toledo, Cordoba, Seville, Granada, Travel Spain)

Synopsis

Discover the best parts of the must-see cities in Spain. Learn the top sights and attractions before you travel with this comprehensive guide. Read on your PC, Mac, Smart phone, Tablet or Kindle device. Planning a trip to Spain? Great choice! If you're considering anything from a short stay to a long trip, Spain will provide you with some of the most amazing sights and scenes to be found anywhere. Spain's history, culture and picturesque landscape will leave you in awe. But are you prepared? To get the most out of your Spanish adventure, you must be well prepared and have some basic knowledge about the country: where to go, what to see and what to do! If you enter Spain unprepared and unaware of the many treasures to be discovered and enjoyed, you will not be able to enjoy it to its fullest. Without the knowledge of exactly what every must-see city has to offer, you will ultimately waste your valuable vacation time planning your next steps instead of discovering exciting, new sights. In this Spain Travel Guide I will give you the best tips and advice that will enable you to get through your Spanish adventure smoothly, and help you to enjoy it to the fullest! I'll provide you with the essential sights and attractions for all of Spain's major cities, so that you don't have to waste any of your own time finding out what each city has to offer! The cities you'll gain access to: San Sebastian, Bilbao, Santiago de Compostela, Madrid, Toledo, Cordoba, Seville, Granada, Valencia, Barcelona. You'll have the most concise, valuable Spain Travel Guide - the country's sights, culture and attractions - at your fingertips every step of the way. So what are you waiting for? Download your copy today! Take action now and enjoy the trip of a lifetime! Customer Reviews

Every Spanish city has something unique to offer. I have personally traveled to Barcelona, Madrid and Sevilla; and i am planing to visit other cities in the future. This travel guide seems to be complete as it has mentioned everything about the cities I have visited. I can only asume it does the same for the rest. Very informative and easy to read; this book offers valuable information about history, culture, attractions and must see places. I believe the city of Bilbao is the authors favorite, and has made me want to travel there.Travel guides are very helpful to those who love traveling; and may introduce you to some places you would not normally visit.Overall a well put together guide; I would recommend it to anyone who wants to visit Spain.

For me, Spain is a very romantic place. This is why I would love for me and my husband to visit it someday. Since we haven't gone to Spain yet, my husband and I thought that this will be a useful book for us. This book is a guide for first time travelers like us. It contains a list of the must-see places when in Spain. Each place was interestingly discussed. There were other details of awesome tourist spots in those places as well. One thing though, it would have been better if there were nice photos in it or directions to easily go to the place. But, if you are just trying to know the places, the details in here should suffice.

This is my second time to purchase Sam's book and I would say that I really like his writing style. It is very organized, informative and helpful. Each chapter is composed of the beautiful cities in Spain. Aside from that, he gives a short introduction and some facts about the city. Furthermore, he indicates some of the most important places or landmark in that city (top ten). I would say that Sam's writings are well-researched, direct to the point and captures the reader's attention.

This read as a short, to the point top ten listing of activities if traveler on has a short amount of time in the top several cities in Spain, however too brief for my tastes. This read almost like a short review or excerpts of a more thorough guide. Also I read on my reader so only text, not sure if print version has photos/images?

This was great to read, and I am looking forward to checking these places out when I go to Spain for the first time next year. One suggestion to the author, would be to have a layout that is easier to locate and reference back to the chapters, cities, and places to go. Thank You!

With Spain: A Traveler's Guide , you will find the best places to visit. I elite the way the author has very detailed explanations and tips for visiting each city. Some real gems of information here.

Surprisingly solid guide of interesting sites throughout Spain.

It was not very useful
