In The Steps Of Saint Paul: An Illustrated Guide To Paul's Journeys

Synopsis

Tracing the path of Saint Paul, Peter Walker offers an expert exploration of various biblical sites and their contemporary counterparts. Drawing mainly on Luke's account in Acts, as well as on Paul's own letters, Peter Walker reconstructs Paul's wide-ranging travels, detailing some of the most important sites of the early church. We begin in Damascus, then follow Paul on his first and second "missionary journeys," then trace his final visit to Jerusalem and Caesarea, and eventually arrive in Rome. Each chapter focuses on a particular site and includes a section on Paul's story within that location, a list of key dates which give readers an overview of significant events associated with that place, and an exploration of the location as a visitor might encounter it today. Readers are transported to the rugged "Cilician Gates" of southern Turkey, the marketplaces of Athens, Corinth, and Ephesus, the bleak expanses of ancient Galatia, and the wintry, wind-swept shores of Malta.

Book Information

Series: In the Steps of

Paperback: 216 pages

Publisher: Lion Hudson (September 1, 2014)

Customer Reviews

'This book provides a very helpful historical and visual backcloth against which better to study and understand St Paul and his teaching.' -- Christopher Vane The Lance, St George's Parish Jesmond

"It's a fine piece of work... the scholarship informing it is first-class... It's a gem." -- Rowan Williams, former Archbishop of Canterbury

Peter Walker studied classics and early church history at Cambridge University and has done

extensive research at post-doctoral level on Christian attitudes to Jerusalem. Peter is now a professor of Biblical studies at Trinity School for Ministry. He has led many study tours to the Holy Land. His books include Holy City, Holy Places?, Jesus and the Holy City, and In the Steps of Jesus.

Pretty flawless, and lavishly illustrated too. I found this book invaluable for some of the research for my own book, "Mysterium: I Rome".

I recently was on a tour of Greece and Ephesus, Turkey with Footstep Ministries, following the footsteps of Paul from place to place. We saw lots of sites, took lots of photos, and studied Paul's travels. This book is an outstanding resource for before or after the trip.....so good that I bought the book for 6 friends who were on the trip with me.

One of the very best books of this type I've read. My training is in theology, and I am always glad to see a work of this type that is informative for lay people as well as those with more formal education in the field of biblical studies. I cannot recommend this work too highly. Be sure to get the companion volume, In the Steps of Jesus.

Solid insights, helpful images, and organized well. I used this for a series going through the book of Acts and studying some of Paul's letters. This was a fantastic resource.

Book was in excellent condition. Book had great pictures and good information It was a helpful follow-up resource tool after my recent vacation trip to Greece.

Very nice book. Beautiful illustrations and pictures. Sometimes a little hard to follow which journey is on. I would definitely recommend it to someone else.

My husband is facilitating a study on Paul. This book helps to present a more rounded approach. The illustrations and maps bring a more visual context and understanding.

I appreciated the scriptural discussion and vivid photos of sites now. Also loved the order that matched chronologically, Paul's journeys. Helpful prep for an eventual trip.
