## Customer Reviews

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Item arrived really timely. Smaller than had been anticipated but looks like it has good information. Will put it to the test later this year.

I found this guide to be quite helpful during our travels in Cape Town and Johannesburg. The map was especially useful.

Excellent concise guide to South Africa. The size allows it to easily fit into purse or back pack.
