Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

My better half runs her own spa and has been for a while. She has found some great ideas in this book to help improve her marketing and other things concerning running her spa. Overall, an

excellent book.

Great startup info!

I received many good tips from this book as we are opening 3 treatment rooms here at our Songbird Bed and Breakfast. It will help you avoid mistakes.

This book has no relevant business information. It will tell you what type of lights to use but absolutely no cost/price information. Do not purchase this book if you are looking for hardcore business information.

I LOVE THIS BOOK IT LOOKS SO NEW!! I LOVED IT BC IT LOOK SO NEW AND THIS IS JUST WHAT I WAS LOOKING FOR!
