Apocrypha, King James Version

Synopsis

The KJV Apocrypha in a single volume. The Apocrypha ('hidden things') are contemporaneous with the Old Testament, but were not officially accepted as part of the Bible when the Hebrew 'canon' was set. They did, however, form part of the Greek Scriptures and came into English Bibles by that route. The writings of the Apocrypha run the whole gamut of literary genres: histories, romances, devotional works, proverbs and sermons. Many complement parts of the Old Testament and readers will recognise some familiar Biblical characters in the narratives, such as Daniel and Esther.

Customer Reviews

The hidden texts of the Old Testament world - the Apocrypha are the books written at the same time, but not officially accepted. They include histories, romances and proverbs - plus extra writings about familiar Biblical characters such as Daniel and Esther.

Where Can I start.....Well I became a little upset when I found out that Pastors have been made aware of these books through seminary school, but tend to steer their members away from it.. The last time I checked I have to answer for myself before God not them!! So how I found out about this book was through a YouTube video Called "The forgotten books of the bible" I never knew that this used to be part of the original 1611 KJV Bible but later on it was removed, this blew my mind. As I began to read through the scriptures I realized more & more that it agree's with the Bible "The

Wisdom of Jesus The son of Sirach" or Ecclesiasticus reads just like Proverbs. They sound so much alike that if one removed the titles of both books you wouldn't even know which book you were reading. I can go on & on about this book "Bel & the Dragon" sounded a little scary to me at first but it's about The Prophet Daniel steering the King away from False Idol worship. He also takes it a step further & proves to the King that they are false! We also learn in the book of 1 Maccabees about Hanukkah & how it came about, also we find the Lord attending Hanukkah in the Gospel of John 10:22 which is also called the "feast of dedication". I don't wanna ruin it for the reader & tell everything. All I can say is read it for yourself & you decide weather or not you should be reading it. Hosea 4:6 Says My People are destroyed for lack of knowledge because thou hast rejected knowledge, that thou shalt be no priest to me; seeing thou hast forgotten the law of thy God, I will also forget thy children. We should stop rejecting God's knowledge.

Perfect condition

The text is too small. I'm mid-thirties and read a lot. The small text makes this book difficult to read and mark. Also, the printing was done with very low resolution so the letters look fuzzy.

Really glad to ge this book since I didnt know it existed, till watching youtube....it goes with the King James bible...not the niv, really well. If your to learn the word of God, this book will help you achieve that successfully. I will be ordering from this company again.

Very happy we ordered this book, it is, the inspired word of God, and should still be in every copy of the bible, those seeking God's truth, should add this with ypur current and all future bible studies, like "The Destuction Of Bel And The Dragon",which is actually chapters taken away from the very Prophetic book of "Daniel" , the excuses for taking these books out of God's Word don't have any weight to them, a must for the serious student of God's Word

Good read

If you're just reading the King James Version of the Bible alone without the Apocrypha you won't really truly know or understand it until you read the books of the Apocrypha; this is a must have for anyone who reads the bible.

Can't wait to read this! The actual missing books of the real bible!!!
