Composer Harold Arlen and lyricist E.Y. Harburg were two of Broadway and Hollywood's most popular songwriters. They wrote the songs for the classic film *The Wizard of Oz*, for which they won an Academy Award®.

I purchased a copy of this for myself and for my sister. Our mom used to sing this song to us when she washed our hair when we were little. It has a special place in our hearts. The pictures are lovely.

I love singing this song to my rainbow baby.

Amazing and beautiful illustrations....I just don't think younger children get this as story time reading material...but my husband and I loved it!

Such a cute story and beautiful illustrations!

I bought this sheet music for the Kindle, but it was impossible to read in that format. The paper version is most probably worth it.

It's missing the bridge, and is also so simple as to be pointless. Basically, this is only useful if you don't know the song at all.

i tried the sample and it made the top menu bar go away and i had to turn the kindle off then turn it back on so i could write this review
