It has good detail, but sometimes it is weird like he said "why doesn't somebody invent paper?" It is kind of weird, but otherwise it is a VERY good book

This book was great! I like this book. It was very good. I hope you liked it, too. Please read this book!

I like this book because it has stuff for every kid. Dinosaurs, adventure, and funny jokes. Also because it is for those who are little could read with a grown up.

Was xmas gift.

Nate, 9, says this book was very surprising and funny. Nate is a big fan of Geronimo Stilton and this adventure is awesome and contained some unexpected parts.

I would recommend this book to people who like adventures and this series. I love the mice and the ways they solve different problems.

It's awesome and I really liked it because it was really exciting and I was shocked that the tigers hit there flag and it was in a cave in the dino lands.

I bought several for my grandson for Christmas. Excellent condition.
