## **Customer Reviews**

First off I just want to say that Brooke Harris is such a great author. Queen of Harte's was a much anticipated book in the Harte Series. The first two books were great but this one was not only fantastic, but was compelling and spell binding. It was hot, (I mean hot). It had so many twists and turns I had to stop and think back to the other books and it was like holy crap I didn't see that coming. At times I wanted to yell (well actually I did) at both Julian and Eva for their stubbornness. I can't tell you how often I had tears throughout this book. I must congratulate Brooke on the ending. As I was reading and crying thinking I couldn't believe this was how it was ending, she turned it around making me laugh and giving me, Julian and Eva our HEA. Great job Brooke the long anticipated wait was well worth it.

Fabulous! Stunning! I couldn't put these books down. They were perfectly written. Thank you Brooke Harris. I fell in love with Julian and his personality that you weaved so well. I fell in love with

Eva as the only person who could make him whole again. The ups and downs were so realistic. The other characters fit perfectly. The sex was amazing. I'll never forget this series. Also loved the Irish setting and all the surprises they shared.

I'm floored, gutted, wrenched i don't want it to be really over! As noted the first 2 books were really good, but honestly, she saved the best for last. The wait for the finale was well worth the ride. Julian and Eva, I hope maybe we can visit you again one day. Ms. Harris pulls you so thoroughly in that yes, they seem like real people that I'm ready to go to Dublin and find them! I can't wait to see what she has up her sleeve for her next series, how many more sleeps is the end of 2015 anyways and what happens if I die before then? :)

My heart was racing. The ending put my heart in my throat. You kept me on the edge throughout the whole book. Just as I thought I had a grip on, another twist. The way you led us into the epilogue, my heart was being skittish, and for a moment I thought he didn't make it through his transplant, but again, you made the game real and gave us a HEA. Thank you.... maybe a holiday novella would be lovely, along with the new series. Great story, loved it from Book 1. Loved watching Julian and Eva grow. Thanks

What a whirlwind of a series! So many ups and downs and back and forth. I thought I was watching a tennis match. Lol! It was really, really a great story. I even teared up a few times. Before I forget, it was chock full of sexy times. I gave it four because Julian's games, stubbornness and double talk drive me nuts. I wanted to throttle him a few times. I loved the story, characters, and the ending.

Bravo!

Brooke Harris outdid herself again. The first two books were amazing and this third book was a beautiful conclusion to Julian and Eva's story. I could not put it down and read it within an evening. Waited in suspense to get the final installation of this story and now I am very sad that it is over. I highly recommend this series and eagerly look forward to Brooke's next book.

Love the series, but this book is better than the first two. Julian Harte is a force to be reckoned with! I am hoping, maybe even praying that this isn't the end of the Harte series. Brooke has made me laugh, cry and to love again!!

Great way to end the series. Brooke Harris really outdid herself on this one. She keeps you guessing right to the end, surprise after surprise. Really hard to put down. It keeps you on the edge of your seat for sure. Julian may be the handsome billionaire playboy but Eva oh Eva girl you got this one.
