Alexandra del Torre

Synopsis

“Lesbian Firsts” is a collection of 10 lesbians’ detailed descriptions of their first sexual experience with another woman. Asked by author Alexandra del Torre to provide as much detail as possible, they held nothing back in their retelling of these intensely intimate encounters. In “Lesbian Firsts,” you will hear from real lesbians and read about their real first times, including: HEATHER, a 24-year-old high school English teacher who discovered her lesbianism with a volleyball teammate at the age of 19. MEGHAN, a 32-year-old attorney who lost her lesbian virginity to her first-year dormmate in college. KRISTEN, a 26-year-old accountant who discovered her preference for women at 18 during a sleepover with her more advanced 22-year-old friend, Michelle. MARIA, a 36-year-old basketball coach who found sapphic love in a locker room shower with a teammate. KORI, a 28-year-old makeup artist who, at 18, was stimulated in a movie theatre by her cousin’s suave, butch neighbor. DEBBIE, a 41-year-old psychologist whose first lesbian experience came at age 30, following her divorce from her husband of two years. Trapped overnight during a rainstorm at her book club friend’s house, Debbie discovers pleasures she never knew with a man. JENNIFER, a 34-year-old police officer who lost her lesbian virginity on the same night she gained the legal right to drink on her 21st birthday. A mysterious stranger in a lesbian bar introduces Jennifer to strap-on sex in the bathroom, much to her delight. DIANE, a 25-year-old assistant book editor who engaged in her first lesbian sexual encounter with her current boss when she was a 20-year-old intern at a publishing company. TAYLOR, a 37-year-old personal chef who, as a student at a women’s Catholic college, shared an intimate encounter with a classmate in her car during half-time of a school basketball game. SARAH, a 22-year-old flight attendant who found lesbian love in the skies with a flirtatious flight attendant who was serving as her mentor when she was a 20-year-old trainee.***

Customer Reviews

When I came across Lesbian Firsts I just knew I had to download it. I am glad that I did. I really enjoyed all ten stories (although I did have a few personal favorites among them). It was nice to be able to read about a variety of stories in one book rather than searching for each individual interest. I enjoyed that each story had its own voice and felt that it made this book even more genuine. Check this book out if you are looking for some hot, steamy lesbian stories that will get your heart pumping big time. This is certainly a book that I will be recommending to my other dirty minded girlfriends.

A really enjoyable book about their lives as Lesbians, and their very first time. A very well written book and a fantastic job.

Awesome. I buy these as gifts and the person really loves them!!

I chose this rating because I wanted more. I recommend this book to women who are first timers and really want to get aroused.

Hot, steamy, and well-written.

I really enjoyed reading about the different experiences. Extremely sexy and stimulating! I would buy it again. I even shared it with my partner.

These stories are each hot and sweet. Love 'em! Only bad thing is it's too short. :) :) :) :)

If these are real stories, I would be surprised. It was hot lesbian sex but not believable
