R.L. Stine's books have sold more than 300 million copies, making him one of the most popular children's authors in history. Besides Goosebumps, R.L. Stine has written series including: Fear Street, Rotten School, Mostly Ghostly, The Nightmare Room, and Dangerous Girls. R.L. Stine lives in New York with his wife, Jane, and his King Charles spaniel, Minnie. www.RLStine.com.

Audio drama is the ideal medium for spooky fun. "Lights Out," "Suspense," "The Whistler," "Inner Sanctum"--these were among the most popular dramatic programs on '40's radio. The mental exercise that audio gives to the imagination has more positive effects on kids than the mind-numbing boob tube. Perhaps that's why, when Disney rereleased some of its postwar kids

albums on cassette a few years ago, they were sold out within weeks of hitting the shelves. In this instance, even merely serviceable performance does wonders for Stine's hack writing. Disney has pumped more energy than creativity into the slickly produced title. It's amiable, briskly paced and safe. Neither parents nor their offspring will find any unpleasant shocks here. When you give it to your kids, tell 'em to shut their eyes and give their minds a listen. Y.R. (c)AudioFile, Portland, Maine

My grandson was so EXCITED when he opened the mail and there was his new Goosebumps book! He was not interested in reading until I got him hooked. I am so pleased with the fact that I can pick them out online and have them mailed to him. In a short time, he is calling me on the phone to thank me!!

I have been a fan of Goosebumps since the beginning when they started back in the 90's. To me they are the best children's book series and now my young son thinks the same. He is now in Kindergarten and his school requires that he reads 30 minutes a day and these books are the only way I can keep his attention for that long. We have quite a few different versions of the goosebumps (classic, Most Wanted, and Horrorland) and the Horrorland are my favorite because after you read the story they have a mini story after that. It has the main characters from the first story going to Horrorland for a free visit. This story was very good and keep my sons attention throughout the whole book.

My grandson loves the audible version as much as my son loved reading the goosebumps series. Please make all of these in a Mp3 format. He is blind and this is his favorite way of listening. I have to put them on a ipod shuffle for him. But he loves them even when he has to ask for help to hear them.

Another great book from the Goosebumps collection! My 9 year old son is addicted to these books and so was I at that age. He has an entire bookshelf dedicated to only Goosebumps books. I'm happy he loves reading and will continue to buy these books for him for as long as he wants.

Thanks

My 3rd grade son loves Goosbumps books (as I did growing up) and I love that this series keeps him engaged enough to read.

A very thrilling book that I really liked!!!!If you buy it and imagine it, it is very cool, fun, and...
SCARY!!! :)

Item as described and prompt delivery.
