Power Healing

Synopsis

“A major work on divine healing, soundly based on biblical scholarship and thoroughly immersed in hands-on ministry experiences.” —C. Peter Wagner, Fuller Theological Seminary

Power Healing by John Wimber, with co-author Kevin Springer, is an illuminating and inspiring look at the power of divine healing. Based on John Wimber’s profound belief that healing is fundamental to the ministry of Jesus Christ, *Power Healing* explores healing in the Old Testament and in the works of Jesus and his disciples, and offers practical models for today’s healing ministry. One of the founding leaders of the Vineyard Christian Fellowship and author of *Power Evangelism* and *Power Points*, John Wimber has given the world a classic overview of the curative power of faith.

Customer Reviews

A study of divine healing based on biblical scholarship and hands-on ministry experience.

A study of divine healing based on biblical scholarship and hands-on ministry experience.

POWER HEALING by John Wimber is a powerhouse book. He explores, in detail, the ministry of divine healing and tackles the tough questions; such as what happens when a person is not instantly healed. What are the causes, conditions and ramifications? Such was the fate of his own heart condition and an illness which took his good friend. Writing about why people don’t get healed,

he is honest and direct. He writes, "There is another reason - I believe the most fundamental reason - why more people are not healed when prayed for today. We do not seek God as wholeheartedly as we should." From lessons of decades of ministry around the world, Wimber blends his personal experiences with scripture and principles of healing. Understanding the basis for divine healing as well as the authority for it, impediments and prayer techniques can result in people being healed more often. His insights are extremely valuable to both the person praying and the one seeking healing. One of the most interesting aspects of the book was the procedure he recommends for praying for the sick; a five step process: The Interview Diagnostic Decision Prayer Selection Prayer Engagement Post-Prayer Directions. Wimber is not purely formulaic, however, as he writes with passion, clarity and power. But there are techniques which can help make the ministry more effective. These he shares freely. Wimber tackles difficult topics including demonic forces, spiritual warfare, speaking in tongues and spiritual gifts. Whether the reader needs healing or is working in this ministry, *Power Healing* is a must-read.

This. Book. The title is slightly deceiving and I have been historically only the skeptic in regards to this topic, but this book is solid. What I thought was going to be a book on questionable charismatic healing, was one of faith and a new understanding of the Holy Spirit. Read it as a part of a prayer small group and it wrecked us all. Gave some clear tangibles to a mysterious and often weird topic. Changed the way I pray and think about spiritual matters. Think some of the biblical passages were a bit of an unnecessary hermeneutical stretch, and more sound arguments could have been made, but overall grade A.

I love John Wimber's fresh and candid approach to the Christian walk. As one person said, "Read the red and do what He said." This describes Wimber. When reading his writings I experience him as transparent and unpretentious...human. I can relate to and learn from someone like that. I was struggling with some of the theology of healing I was being exposed to. I especially appreciated how John candidly relayed his own early struggles with divine healing. He leads the reader -- he doesn't drag the reader. I felt like he was relaying my own intellectual and spiritual struggles. I still don't have all of my questions answered, but I feel more comfortable with what I do believe after reading this book.

A great work on essential practices for an effective ministry in healing prayer.

powerful information for all interested in learning from one who has gone before you and I.

Came across the name of John Wimber through a book on healing by Francis McNutt (whose book I enjoyed). I really like the way John Wimber writes, very down to earth. I especially appreciated how he explains the importance of a prayer model - someone with a successful prayer ministry that a person can watch. Towards the latter part of the book, he methodically goes through the steps of praying for someone. This ultimately led me to purchase teaching DVD's from Vineyard Resources so that I could introduce a prayer model to our adult Sunday School class. I will be using his book as well.

Great book on healing from John Wimber. Covers many aspects of healing, including emotional and gives lots of examples of actual healings the Lord did thru John. Part I - why does Jesus heal?, Part II - what does Jesus heal?, Part III - how does Jesus heal? Appendix includes scriptures showing the healing ministry of Jesus & disciples. For a more current book, get Randy Clark's book, the essential guide to healing.
